## **Mail-In Response Form**

As we enter the next century, the U. S. Fish and Wildlife Service seeks your help in planning the future of these island Refuges. We value your support as we continue to manage these exceptional wildlife areas for the benefit of the American people.

Please consider answering the questions below and mailing back this page of the Planning Update by April 29, 2000. If you have any questions or to comment, please contact us at:
